Experience

University Lecturer 2025 – Present
    Kiau, Iran
        Teaching advanced CS/SE courses, mentoring students, and contributing to academic and curriculum development.

Front-end Team Leader & Back-end Developer 2023 - Present
    Postex , Iran
        As a senior front-end specialist at Postex, I helped build web and mobile apps that improved customer service and user experience in the postal sector.

Front-end Team Leader & Developer 2022 - 2025
    Nuway , Canada
        As the Head of the Front-End Team, I successfully developed a customer support and chat application, focusing on user experience and effective communication.

Front-end Developer 2021 - 2022
    Develop & Conquer , Canada
        I developed and maintained an ERP application, ensuring seamless user experience and efficient data management.

Mentor 2021 - Present
    Rastava , Iran
        I mentored developers, facilitating project success and professional growth.

Front-end Developer 2018 - 2021
    Rastava , Iran
